Subject: Super Salvage Site

Daniel/Allison,

I am working on the DC United stadium project for the District government. The project contemplates acquisition of the Super Salvage site in SW Washington, DC. I received your contact from Amy McDonnell at DDOE and wanted to see if you would be available for a call next week to discuss your activities, our plans and see how we can coordinate efforts. I have also copied Alan Harwood from AECOM, our environmental mitigation study consultant, as I would like AECOM to participate as well. Please let know. Thanks.
